Railway Survey in Callaway.

A surveying party of about twelve members is at work this week running a line for the proposed St. Louis-Kansas City Electric railroad across Callaway county through McCredie. The party is under the charge of W. B. Cauthorn, of Columbia, who does not think a satisfactory route for the road can be found through Fulton.

The work was begun north of Stephens' Store the first of the week and McCredie was passed Thursday morning. If the weather remains good the party will finish its work in the county this week.

The home of T. P. Harrison, east of McCredie, was headquarters for the party while it was in that vicinity.

The survey as made passes through McCredie and on east toward Williamsburg. It misses Calwood about two and one-half miles.—Fulton Gazette.

A SPLENDID MEETING.

The protracted meeting at the Presbyterian church in Montgomery City continues with interest increasing with each service.

Rev. B. B. Sutcliffe of Chicago is preaching some very profound and helpful sermons, the true Gospel without sensationalism. The music is also especially good and the attendance has been large.

Two of Rev. Sutcliffe's most noteworthy efforts were "Heaven and Hell," and "He that Cometh to Me I Will in Nowise Cast Out." He preached an old-fashioned hell, a place of fire with plenty of fuel to keep it going. He said if there was any argument or disagreement regarding the subject, it was between God and the critic and not with him. He preached The Word as he found it in the Old Book.

Rev. Sutcliffe says, in his opinion, the need of the world is preachers who will preach the Gospel instead of some subterfuge. He said the reforms of to-day are not the Gospel, although they are often emphasized as if Christ had said preach these things instead of "Come unto Me."

The meeting will likely close in a few days and all who can should avail themselves of the opportunity to hear these sermons. Go to-night.
